# Introduction:

- BookMyEvent is an event management system software project that serves the functionality of an event manager.
- It allows to select from a list of events ,the system then allows user to enter their personal details.
- The data is logged in the database and user is given a receipt number for his booking.
- Data is sent to administrator and they may interact with client as per their requirements and their contact details in database stored.

# Understanding the problems:

01 We all want our software releases to go production seamlessly ,without defects where everyone is aware of outcomes and status.

02 We get rollback issues , we need to increase resources to handle these issues and this may lead to miss important deadlines ,losing revenue and business and further damage to one’s reputation.

03 We will use simplest methodologies like PayAtGate(PAG) in out latest release which you are about to learn which you are about to learn which will improve our performance.

# Counter Strike Global Offensive

Counter-Strike: Global Offensive (CS:GO) is a multiplayer first-person shooter video game developed by Hidden Path Entertainment and Valve Corporation. It is the fo
game in the Counter-Strike series and was released for Microsoft Windows, OS X, Xbox 360, and PlayStation 3 in August 2012, with the Linux version release
September 2014. The game pits two teams against each other: the Terrorists and the Counter-Terrorists. Both sides are tasked with eliminating the other while
completing separate objectives, the Terrorists, depending on the game mode, must either plant the bomb or defend the hostages, while the Counter-Terrorists must e
prevent the bomb from being planted, defuse the bomb, or rescue the hostages. There are six game modes, all of which have distinct characteristics specific to that mod

## Venue

20th April 2018, Institute of Technical Education & Research (ITER), Jagamara, Khandagiri, Bhubaneswar, Odisha 751030.

ITER is the Faculty of Engineering and Technology of Siksha 'O' Anusandhan. It is located in Campus 1 of the SOA. ITER is the oldest constituent institute of the S
having seen light in 1997. It has grown from a fledgling campus with a single three storied building (Academic Block) to one of the best engineering campuses in Eas
India.
